

COMMUNITY INTEGRATION PROGRAM

Our trained staff provide daily instructions to enhance community integration by providing opportunities to learn personal safety, mobility, communication, socialization, and vocational options. Money management, recreational activities, and how to access available resources.

We believe each individual in our program possesses a unique potential; a potential to create, grow, learn, and adapt. Our program provides each individual with opportunities in self advancement and community integration. As well as hobby development and community experiences.

Individuals visit several different places with emphasis on exploring the community such as; libraries, gyms, cultural centers, museums, ranches, and other places of interest.

Individuals also participate in a variety of craft, skill, communication, and conflict resolution activities.

Our mission is to empower individuals to achieve their highest potential.

PRE-EMPLOYMENT VOCATIONAL PROGRAM

We teach each individual to access community resources to identify places of employment. We prepare individuals by providing job training that includes: Communication techniques, Practice employment duties and emphasizing appropriate workplace behaviors. We teach individuals at volunteer sites as well as in competitive settings.

The Employment program also allows the individual to be paid in the process. Our program supports individuals in gaining the skills needed to find employment, help individuals to successfully maintain future employment and volunteerism positions.

Individuals have the opportunity to work and volunteer in several different settings and professions, such as: carpet cleaning, car washing and detailing, housekeeping, and as a ranch hand working with animals and the up-keep of a ranch.

ABOUT K & Y COMMUNITY BASE SERVICE

K&Y Community Base Service seeks to maximize opportunities for the development of individual relationships within the community and their natural support system.

Our programs offer participants the ability to integrate into their local community through various daily planned events.

These person-centered activities are based on the choices and ability of the individual. Participants develop skills such as:

- Interpersonal Communication
- Problem Solving Skills
- Social/Emotional Learning
- Teamwork
- Leadership

These community-based life skills are achieved through volunteer work, peer activities, physical exercise, participation in art and cultural activities.

"Hello, my name is Blanca, I am Alberto's mother, I am very grateful to the K&Y program because they have helped Alberto a lot, he has made a lot of progress, he has cerebral palsy, he expresses himself more and is more social, he admires the coaches a lot because they make him feel self-confident and provide a lot of support and security and their staff is bilingual for me it is very important they communicate with me in my language I feel very blessed. Many thanks to the K&Y program." - Blanca

"Coming to the program has helped me mature and has taught me many things that help me in my everyday life. The coaches and administrators really care about you and make you feel like family. I have made life long friends." -Dale A.
